## Accessori Candela / Sparkplugs Accessories

Chiave candela snodata.  
Sparkplugs wrench.  
Code # 23362

Pipetta per cavo candela.  
Spark plug cover for all engines.  
Code # 23360

## Marmitte e Scappamenti / Muffler and Exhaust flanges

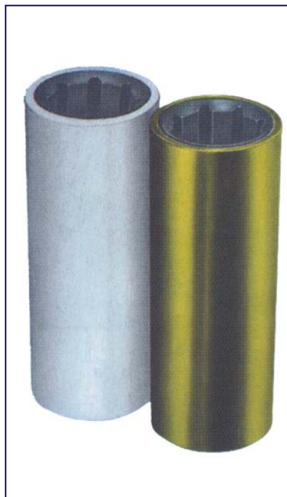

Marmitta di scarico per motori raffreddati ad acqua. Adatte per tubi scarico con diametro 40/45/50 mm, capacità 6 Lt. Pressione di esercizio massima 0,3 Bar. Fabbricata in polietilene ad alta densità. Ingombri: lunghezza 370 mm(+bocchettoni 440 mm totale), larghezza 150 mm, altezza 190 mm (+bocchettoni 230 mm totale).  
Waterlock for water cooled engines. Suitable for exhaust hoses Ø 40/45/50 mm, capacity 6 litres, maximum working pressure 0,3 bar. Made of high resistance polyethylene. Size: length 370 mm(+joints total length 440)/width 150, height 190 (+joints total 230).  
Code # 23423

Marmitte in neoprene per scappamenti motore.  
Neoprene muffler for engine exhaust systems.
